Dear Mr. Yeung,

Although time has passed since you assisted a Huizhou Municipality delegate in a time of need, I wanted to thank you on behalf of the Milpitas Sister Cities Commission for your caring act of compassion this past January.

You were instrumental in calming a distressed visitor and assisting with translation that offered hospitality on behalf of the City of Milpitas. The Commission appreciates your generous spirit and the giving of your time and talents to encourage our sister city delegate in his time of need. We have heard that the individual is well and being attended to by his physicians in Huizhou.

Thank you for being of service and responding quickly to Commissioner Chang's request to visit our delegate from Huizhou in the hospital. The Commission believes your example to reach out to a visitor was an act of kindness that exemplifies the essence of what it means to be in a sister city relationship.

Sincerely,

Dennis Grilli, Chair
Milpitas Sister Cities Commission
