The Milpitas Community Concert Band (MCCB), under the direction of Jeff Yaeger, is comprised of musicians with various backgrounds coming together to make music! The band continues to provide a supportive and interesting outlet for its members’ musical growth, as well as provide an entertaining experience for its audiences and the community! In addition to band standards, MCCB performs a variety of marches, musical/Broadway selections, classical pieces, transcriptions and forgotten gems – some of which haven’t been performed in the Bay Area in decades.

MCCB performs several family-friendly concerts throughout the year and is a treasured musical presence at the City of Milpitas’ annual Veterans Day Ceremony, Memorial Day Ceremony and Holiday Tree Lighting events. The MCCB is always actively seeking new members who play Flute, any size Clarinet, Oboe, Bassoon, any size Saxophone, Trumpet, French Horn, Baritone Horn/Euphonium, Tuba, or Percussion. Musicians of various levels and ages are welcome to join. If you are an active performer or haven’t played in years, there’s a place for you in MCCB! Rehearsals are held Thursdays, 7:30PM - 9:30PM, at the Barbara Lee Senior Center (40 N. Milpitas Blvd). The yearly registration fee is $30.00 per member.

Yah-Hann
A native of Taiwan, Yah-Hann (Eric) Yang graduated from the Academy of Art University’s School of Fine Art in San Francisco with his MFA in Painting in 2007. Yang focused on his objective to “paint from the heart” beginning in his childhood, and learned the important foundations of classical technique at a prestigious arts-focused high school in Taiwan. As a graduate student at the Academy of Art University, Yang sharpened his aesthetic by exploring deeply felt, personal emotions in an entirely abstract format. “While at the Academy of Art University my style began to develop to not only paint color, but to include meaning inside of my work.” Yang has earned many abstract competition awards in both national and international categories. His textured approach to abstraction is attracting a growing number of collectors in Asia and the United States.

Yang is currently teaching at Artistic Art Studio in California. His goal as an art instructor is to teach students how to appreciate art, how to look to art to understand the meaning behind the canvas, and how to be an artist. He says “Art is a language that is able to communicate with people and that is how I express feelings through art.”

Make a Difference and Volunteer!

The City of Milpitas hosts many community programs, events, and activities throughout the year that serves the Milpitas population and local surrounding areas. Volunteers are frequently recruited to assist in various aspects of these programs, providing valuable staff support as well as help and encouragement to community members.

Opportunities exist for working on a variety of tasks in every department within the city structure. Different opportunities are available at various times throughout the year and time commitments vary based on the specific task requirements and the volunteers’ availability. All those interested in volunteering must complete an MVP application and participate in the screening and interview process.

Volunteer applications can be mailed to you or downloaded from www.ci.milpitas.ca.gov (in the Recreation Services section).

After the Bell (ATB) volunteers

The City of Milpitas after school program, After the Bell (ATB), has been blessed to have many great volunteers. These volunteers are typically middle school and high school students, many of which were past participants in the program. Each day they helped ATB participants with their daily homework assignments, played games, helped organize and prepare activities, and most importantly, set an example as a positive role model. Thank you ATB volunteers!
We Want You!

Our Summer line up of volunteer opportunities are waiting for you! Making a difference is easy, fun, and rewarding with the Milpitas Volunteer Partners Program. For more information or to volunteer for a specific event, please call (408) 586-3210.

Beginners Swim
Ages 6-12
with Recreation and Community Services Aquatic Staff

City of Milpitas is pleased to offer American Red Cross Learn-to-Swim group lessons for beginners that will help them improve their swimming skills and increase their knowledge and awareness of water safety. This class will emphasize beginning stroke technique, breath control, and basic water skills. Classes meet Monday-Thursday for 30 minutes.

Level 1: Students are introduced to various floats, crawl stroke, and back stroke with support from instructor. Little to no experience is needed, but swimmers should be comfortable in the water.

Level 2: Builds on Level 1 with less support from the instructor. Swimmers are now more comfortable in the water and are lightly being introduced to Elementary Backstroke.

Level 3: Builds on Level 2 and introduces side breathing, scissor kick, dolphin kick, and more advanced strokes and techniques. Swimmers will improve their skills and build stamina. At this level, participants should not need their instructor’s support and they should not stop and stand to breathe.

Please Note:
• Located at the Milpitas Sports Center, 1325 E. Calaveras Blvd.
• No experience is necessary.
• On the first day of each session all of the swimmers will be evaluated and placed in the appropriate level based on their skill.
• It is common to repeat a level two to three times before the swimmer progresses forward.
• No class held on 7/4.

The Recreation Assistance Program (R.A.P.) funding cycle is July 1-June 30, and is on a first come, first serve basis to families and individuals who meet the HUD (Housing Urban Development) requirements.

For more information on the R.A.P. program, call the Recreation Coordinator at (408) 586-3231. All information is confidential.

Should you want to contribute to the R.A.P. program, donations are accepted at the Community Center, Senior Center and Sports Center.

• A $10 service charge is withheld from each Class you are requesting a refund for. Material fees are non-refundable if you cancel/transfer out of the class.
