

New requirements For Santa Clara County

Starting November 30, 2020

Santa Clara County
**PUBLIC
HEALTH**

sccgov.org/cv19order

Quarantine after travel

Leisure and non-essential travel are discouraged.

If you travel more than 150 miles, you are required to quarantine for 14 days when you return.

Exceptions are for healthcare workers providing care or patients obtaining treatment.

Hotels and Lodging

Hotels and other lodging facilities are open only for essential travel and for use to facilitate isolation or quarantine.

Indoor facilities

Stores and other facilities open to the public are limited to 10% capacity indoors.

Grocery stores, drug stores, and pharmacies are limited to 25% max capacity.

Gatherings

Gatherings continue to be allowed only outdoors, but with a maximum of 100 people.

The State limits these to First Amendment protected activities, such as religious services or protests.

Professional, Collegiate, and Youth Sports

Recreational activities that involve physical contact or close proximity to those outside one's household are temporarily prohibited.

People can continue to engage in outdoor athletics and recreation where social distancing can be maintained at all times.

We are at risk of exceeding our hospital capacity if current trends continue.

This is a critical time for COVID-19 in our community.

Exercise caution and minimize contact with anyone outside of your immediate household, to the greatest extent possible.
