NOTICE OF INTENT TO ADOPT A NEGATIVE DECLARATION

This is to advise that the City of Milpitas (City) has prepared an Initial Study to evaluate the environmental impacts of the project identified below, as required by the California Environmental Quality Act (CEQA). As mandated by State Law, the review period for this document is 20 (twenty) days. Based upon the conclusions set forth in the IS, the City proposes to adopt a Negative Declaration.

Project Title: Milpitas Park and Recreation Master Plan Update

Project Location: The proposed Milpitas Park and Recreation Master Plan Update (Master Plan Update) consists of the 36 existing parks within the City of Milpitas.

Project Description: The Master Plan Update is a strategic document that analyzes each of the City's existing parks and identifies improvements to enhance the City's existing public parks and recreation system. The improvements range from maintenance of existing landscaping to the addition of new park amenities such as outdoor community event space, sports fields, and restroom facilities. The Master Plan Update does not identify or recommend construction of new parks within the City.

The 36 existing parks within the City are not included on the list of hazardous materials sites compiled pursuant to Government Code Section 65962.5.

The review period for this document begins on Friday, September 24th and closes on Wednesday, October 13th. Persons having comments concerning this project, including objections to the basis of determination set forth in the IS, are invited to furnish their comments summarizing the specific and factual basis for their comments, in writing to the City. Please provide your contact information and send your comments to:
