

**CITY OF MILPITAS
STANDARD COMMISSION
BYLAWS**

Addendum: Energy and Environmental Sustainability Commission

The Energy and Environmental Sustainability Commission was originally established by the Milpitas City Council on February 18, 2003. On August 21, 2018, the City Council added the advisory areas of energy and environmental sustainability, including climate action.

Advisory Area

This Commission will advise the Council on major policy areas related to energy, environmental sustainability, climate action, recycling, and waste reduction.

Membership

All members and alternates shall be Milpitas residents, OR own a business or be currently employed at a business located within the City limits of Milpitas.

Members of the Energy and Environmental Sustainability Commission are most appropriate, but not limited to the following areas of expertise or interest:

- Environmental Interest Group (local community group or non-profit)
- Business (may include, but not limited to, retail, restaurant, hotel, commercial, etc.)
- Resident

The City Council may confirm a Milpitas Unified School District Board Member or MUSD Staff member liaison to serve on the Commission. This Member is selected by the Milpitas Unified School District Board (if Board Member) or by the Milpitas Unified Superintendent (if Staff Member) and confirmed by Council at a City Council meeting.

Meetings

The Energy and Environmental Sustainability Commission shall hold meetings the 3rd Wednesday of every month except July, at 6:00 PM at the Committee Conference Room in City Hall, or a designated location.

PASSED AND ADOPTED APRIL 16, 2019.
