THEREFORE, COUNTY and CONTRACTOR agree as follows;

1. Background

To support the Santa Clara County EMS System, the County may provide funding to EMS First Responders for the purchase of products or services that provide a benefit to the Santa Clara County EMS System. All products or services must adhere to the requirements mandated by the Santa Clara County Prehospital Policy 309 – Comprehensive EMS Patient Care Data System (“Prehospital Policy 309”).

2. Term

This Agreement is effective from April 16, 2018 through December 31, 2018 unless terminated earlier in accordance with Section 5.

3. Compensation and Payment

- a. The maximum financial obligation for all services provided under this Agreement shall not exceed **\$50,830.30** for the term of the Agreement. The County does not guarantee any minimum compensation payable under this Agreement.
- b. Contractor shall invoice County for the purchase of approved hardware and/or services under this Agreement to the satisfaction of County according to Exhibit A (Scope of Services). Contractor's invoices shall be in a form that is acceptable to County. Contractor must submit supporting data and documentation, such as third party receipts, as requested by the County.

All payments made under this Agreement shall be subject to an audit at County's option, and shall be adjusted in accordance with said audit. Adjustments found necessary as a result of auditing shall be reimbursed back to the County in full.

- c. County shall inform Contractor of any disputed invoice and the parties shall use their best efforts to resolve such disputes expeditiously. Any undisputed portion of the invoice shall be paid without delay as set forth above. County shall not pay any disputed portion of any invoice until Contractor has resolved the dispute to the satisfaction of the County. After disputed charges are substantiated and approved, County shall make payment to the Contractor accordingly.
- d. The parties agree that the payment term shall be the term selected below and payment shall be due in accordance with the selected payment term. For example, if Contractor selects 2.25% 10 Net 45 as the payment term, payment shall be due 10 days from the date the County approves the invoice, instead of 45 days, and the County shall take a discount of 2.25% of the total amount of the invoice. Payment is deemed to have been made on the date the County mails the warrant or initiates the electronic fund transfer.

- 2.25% 10 Net 45 (provides 35 days of cash acceleration)
- 2.00% 15 Net 45 (provides 30 days of cash acceleration)
- 1.75% 20 Net 45 (provides 25 days of cash acceleration)
- 1.33% 25 Net 45 (provides 20 days of cash acceleration)
- 1.00% 30 Net 45 (provides 15 days of cash acceleration)
- Net 45 (full payment)

Note: Payment term will default to “Net 45 (full payment)”, if no other term was selected.

Notwithstanding the option selected above, the parties agree that at any time during the contract term, either party may initiate an early payment discount on an invoice-by-invoice basis utilizing the Dynamic Discounting functionality of the Ariba Network.

Contractor must have a registered account on the Ariba Network to utilize this functionality.

4. Indemnification & Insurance

- a. Indemnity:** Contractor will indemnify County as set forth in Exhibit B (Insurance Requirements).
- b. Insurance:** Without limiting the Contractor’s indemnification of the County, the Contractor will provide and maintain at its own expense, during the term of this Agreement, or as may be further required herein, the insurance coverages and provisions set forth in Exhibit B (Insurance Requirements). Contractor agrees that failure to provide evidence of such required insurance coverages and provisions will result in the County withholding payment until all such evidence is provided to the County.

5. Termination

- a.** County may terminate this Agreement at any time, without cause, by providing thirty (30) days prior written notice in the manner described in Section 10. Termination shall take effect automatically upon the expiration of the thirty (30) day notice period.
- b.** County may terminate this Agreement for cause upon 14 days written notice to Provider. For the purposes of this Agreement, “cause” includes, but is not limited to, any of the following: a) Assignment, delegation, or subcontracting by Provider of this Agreement without the prior written consent of the County, which County may withhold in its sole and absolute discretion, b) Violation by Provider of any applicable laws, rules, regulations, policies, or procedures, c) Failure to respond to requests for information as required by this Agreement,

and d) Any other material breach of this Agreement by Provider. Such notice shall specify the reason for termination and shall indicate the effective date of such termination.

- c. This Agreement is contingent upon the existence of a current 911 Emergency Medical Services Provider Agreement (“EMS Agreement”) between the County and the Provider. If the EMS Agreement is terminated or expires without a successor in place, this Agreement shall automatically terminate concurrent with the termination or expiration of the EMS Agreement.

6. Status of Parties

This is an Agreement by and between independent contractors and shall not be construed to create an employment, agency partnership, or joint venture relationship. Neither Contractor nor its employees or agents shall be considered County employees, and they shall not be entitled to any of the benefits enjoyed by County employees, including, but not limited to, salary, vacation pay, sick pay, retirement, or workers' compensation, unemployment benefits, or any other County employee benefits.

7. Assignment

Contractor further affirms that it has satisfied and complied with – or has reached Agreement with the County regarding the manner in which it will satisfy – any such final judgments.

11. Monitoring & Records

a. Monitoring

Provider shall permit the County and its authorized representatives to monitor Provider's performance of this Agreement. To the extent permitted by law, such monitoring may include, but is not limited to, audits and review of records related to this Agreement. Upon County's request, Provider shall provide the County with access, through representatives of the Provider, to facilities, financial and employee records that are related to the purpose of this Agreement, except where prohibited by federal or state laws, regulations or rules. Monitoring by the County shall be permitted at any time during Provider's normal business hours upon no less than ten (10) business days advance written notice and may occur up to one year following termination of the Agreement. Provider shall also provide to the County copies of any financial audits that

have been completed during the term of the contract within one week of the completion of such audit.

Provider shall designate a project coordinator responsible for overseeing the performance of this Agreement, and serving as County's primary contact for the purpose of monitoring this Agreement. Provider's project coordinator shall cooperate with the County's periodic review of Provider's performance. Provider shall notify County in writing of the designation of the project coordinator and any change thereto.

b. Maintenance and Availability of Records

Provider shall maintain records including, but not limited to, service and financial records adequate to demonstrate that the project is achieving its purpose, that billing is accurate, that all applicable local, state, and federal laws, rules, regulations, policies and procedures are met, and that adequate internal fiscal controls are maintained. These records shall be made available to representatives of the County of State of California or federal government upon request. All records pursuant to this Agreement shall be maintained for the term of this Agreement and for a period of five (5) years from termination or expiration of this Agreement or until all claims, if any, have been resolved, whichever period is longer, or longer if otherwise required under the provisions of this Agreement.

12. Equipment

a. Purchases of Equipment

Provider must maintain a log of any equipment purchased with funds received pursuant to this Agreement that includes a detailed description of the equipment purchased, the brand name, model number, serial number, and location.

b. Equipment Maintenance

Provider is solely responsible for any storage, service, training, and maintenance costs associated with any equipment and supplies purchased as a result of this Agreement.

c. Ownership of and Responsibility for Equipment and Supplies

Any equipment and supplies purchased under this Agreement shall be considered the property of Provider. Provider shall maintain and administer a sound business program for ensuring the proper use, maintenance, protection, insurance, and preservation of equipment purchased under this Agreement. Provider may not sell, transfer, or otherwise dispose of any equipment or supplies purchased under this Agreement without prior written approval by County, which may be withheld in County's sole and absolute discretion; provided, however, that Provider may dispose of equipment without County's approval at the end of the equipment's useful life or if Provider can demonstrate that it will maintain the same capability provided by the equipment to be disposed. Provider shall take reasonable steps to ensure that all equipment and

supplies purchased under this Agreement are made available for use pursuant to a bonafide request for mutual-aid or inter- agency disaster assistance.

13. Entire Agreement

This Agreement, including all Exhibits, represents the entire agreement of the parties and supersedes any previous agreements between the parties relating to the same subject matter.

14. Amendments

This Agreement may only be amended by a written instrument signed by the parties.

15. Governing Law

This Agreement shall be construed and enforced in accordance with the laws of the State of California without considering choice of law rules. The parties agree to submit to the jurisdiction of the federal and state courts located in the County of Santa Clara. The parties agree that venue shall be Santa Clara County for all purposes.

16. Conflict of Interest

Contractor shall comply, and require its subcontractors to comply, with all applicable (i) requirements governing avoidance of impermissible client conflicts; and (ii) federal, state and local conflict of interest laws and regulations including, without limitation, California Government Code section 1090 et. seq., the California Political Reform Act (California Government Code section 87100 et. seq.) and the regulations of the Fair Political Practices Commission concerning disclosure and disqualification (2 California Code of Regulations section 18700 et. seq.). Failure to do so constitutes a material breach of this Agreement and is grounds for immediate termination of this Agreement by the County.

In accepting this Agreement, Contractor covenants that it presently has no interest, and will not acquire any interest, direct or indirect, financial or otherwise, which would conflict in any manner or degree with the performance of this Agreement. Contractor further covenants that, in the performance of this Agreement, it will not employ any contractor or person having such an interest. Contractor, including but not limited to contractor's employees and subcontractors, may be subject to the disclosure and disqualification provisions of the California Political Reform Act of 1974 (the "Act"), that (1) requires such persons to disclose economic interests that may foreseeably be materially affected by the work performed under this Agreement, and (2) prohibits such persons from making or participating in making decisions that will foreseeably financially affect such interests.

If the disclosure provisions of the Political Reform Act are applicable to any individual providing service under this Agreement, Contractor shall, upon execution of this Agreement, provide the County with the names, description of individual duties to be

performed, and email addresses of all individuals, including but not limited to Contractor's employees, agents and subcontractors, that could be substantively involved in "making a governmental decision" or "serving in a staff capacity and in that capacity participating in making governmental decisions or performing duties that would be performed by an individual in a designated position," (2 CCR 18701(a)(2)), as part of Contractor's service to the County under this Agreement. Contractor shall immediately notify the County of the names and email addresses of any additional individuals later assigned to provide such service to the County under this Agreement in such a capacity. Contractor shall immediately notify the County of the names of individuals working in such a capacity who, during the course of the Agreement, end their service to the County.

If the disclosure provisions of the Political Reform Act are applicable to any individual providing service under this Agreement, Contractor shall ensure that all such individuals identified pursuant to this section understand that they are subject to the Act and shall conform to all requirements of the Act and other laws and regulations listed in subsection (A) including, as required, filing of Statements of Economic Interests within 30 days of commencing service pursuant to this Agreement, annually by April 1, and within 30 days of their termination of service pursuant to this Agreement.

17. California Public Records Act

The County and Contractor are public agencies subject to the disclosure requirements of the California Public Records Act ("CPRA"). If either party's proprietary information is contained in documents or information submitted to the other party pursuant to this Agreement, and the disclosing party claims that such information falls within one or more CPRA exemptions, the disclosing party must clearly mark such information "CONFIDENTIAL AND PROPRIETARY," and identify the specific lines containing the information. In the event of a request for such information, the receiving party will make best efforts to provide notice to the disclosing party prior to such disclosure. If the disclosing party contends that any documents are exempt from the CPRA and wishes to prevent disclosure, it is required to obtain a protective order, injunctive relief or other appropriate remedy from a court of law in Santa Clara County before the receiving party is required to respond to the CPRA request. If the disclosing party fails to obtain such remedy within the time the receiving party is required to respond to the CPRA request, receiving party may disclose the requested information.

Each party further agrees that it shall defend, indemnify and hold the other party harmless against any claim, action or litigation (including but not limited to all judgments, costs, fees, and attorney's fees) that may result from denial by the other party of a CPRA request for information arising from any representation, or any action (or inaction), by the indemnifying party.

18. Waiver

No delay or failure to require performance of any provision of this Agreement shall constitute waiver of that provision as to that or any other instance. Any waiver granted by a party must be in writing, and shall apply to the specific instance expressly stated.

19. Counterparts

This Agreement may be executed in one or more counterparts, each of which shall be deemed to be in original, but all of which together shall constitute one and the same instrument.

20. Severability

If any provision of this Agreement is found by a court of competent jurisdiction to be void, invalid, or unenforceable, the same will either be reformed to comply with applicable law or stricken if not so conformable, so as not to affect the validity or enforceability of this Agreement.

21. County No-Smoking Policy

Contractor and its employees, agents and subcontractors, shall comply with the County's No Smoking Policy, as set forth in the Board of Supervisors Policy Manual section 3.47 (as amended from time to time), which prohibits smoking: (1) at the Santa Clara Valley Medical Center Campus and all County-owned and operated health facilities, (2) within 30 feet surrounding County-owned buildings and leased buildings where the County is the sole occupant, and (3) in all County vehicles.

22. Budget Contingency

This Agreement is contingent upon the appropriation of sufficient funding by the County for the services covered by this Agreement. If funding is reduced or deleted by the County for the services covered by this Agreement, the County has the option to either terminate this Agreement with no liability occurring to the County or to offer an amendment to this Agreement indicating the reduced amount.

23. Use of Names and Logos

Neither party to this Agreement shall be permitted to use the other's name, logo or corporate identity for any purpose without prior written consent for the party whose name, logo or corporate identity is to be used. If either party provides such consent, the party using the name, logo or corporate identity agrees to discontinue such use upon thirty (30) days' prior notice from the consenting party.

24. Assignment of Clayton Act, Cartwright Act Claims

Contractor hereby assigns to the County all rights, title, and interest in and to all causes of action it may have under Section 4 of the Clayton Act (14 U.S.C. Sec. 15) or under the Cartwright Act (Chapter 2 (commencing with Section 16700) of Part 2 of Division 7 of the Business and Professions Code), arising from purchases of goods, materials, or

services by the Contractor for sale to the County pursuant to this Agreement.

25. Survival

All representations and warranties contained in Section 16 of this Agreement and in any instrument, certificate, exhibit, or other writing attached hereto and incorporated herein will survive the termination or expiration of this Agreement. In addition, Sections 3, 11, 12 and 15 shall survive termination or expiration of this Agreement.

26. Contract Execution Policy

Unless otherwise prohibited by law or County policy, the parties agree that an electronic copy of a signed contract, or an electronically signed contract, has the same force and legal effect as a contract executed with an original ink signature. The term “electronic copy of a signed contract” refers to a transmission by facsimile, electronic mail, or other electronic means of a copy of an original signed contract in a portable document format. The term “electronically signed contract” means a contract that is executed by applying an electronic signature using technology approved by the County.
