### **3. DURATION OF THE SPECIAL TAX**

Parcels in the CFD will remain subject to the Special Tax in perpetuity.

If the Special Tax ceases to be levied, the City will direct the County Recorder to record a Notice of Cessation of Special Tax. Such notice will state that the obligation to pay the Special Tax has ceased and that the lien imposed by the Notice of Special Tax Lien is extinguished. The Notice of Cessation of Special Tax, in addition, will identify the book and page of the Book of Maps of Assessment and Community Facilities Districts where the map of the boundaries of the CFD is recorded.

#### 4. ASSIGNMENT OF MAXIMUM ANNUAL SPECIAL TAX

- A. Classification of Parcels. By June 30 of each Fiscal Year, using the Definitions in **Section 2**, above, the parcel records of the Assessor's Secured Tax Roll as of January 1, and other City development approval records, the Administrator shall cause these:
1. Each Parcel to be classified as a Developed Parcel or Tax-Exempt Parcel.
  2. Each Developed Parcel to be assigned a number of Dwelling Units.
  3. Each Dwelling Unit to be further classified as Market Rate, Low-Income Affordable, Very Low-Income Affordable, or Extremely Low-Income Affordable.
- B. Assignment of Maximum Annual Special Tax. **Attachment 1** shows the Base Year Maximum Annual Special Tax Rates per Unit. Each Fiscal Year following the Base Year, the Maximum Annual Special Tax Rate per Unit may be increased in accordance with the Tax Escalation Factor.

The Maximum Annual Special Tax is then assigned to Taxable Parcels using the steps below:

1. **Developed Parcels.** Dwelling Units are assigned by the Administrator by Tax Category (as shown in **Attachment 1**) to Developed Parcels. The Maximum Annual Special Tax for each Developed Parcel is the sum of the Maximum Annual Special Tax Rates per Unit (as increased by the Tax Escalation Factor each Fiscal Year after the Base Year) for each Dwelling Unit (and Tax Category assigned thereto).
  2. **Undeveloped Parcels.** Undeveloped Parcels are Tax-Exempt Parcels until developed as one of the residential uses discussed above.
- C. Conversion of a Tax-Exempt Parcel to a Taxable Parcel. If a Tax-Exempt Parcel is not needed for public use and is converted to a taxable use or transferred to a private owner, it shall become subject to the Special Tax. The Maximum Annual Special Tax for such a Parcel will be assigned according to the **Section 4.A** and **Section 4.B** above. Conversely, if a privately owned parcel is converted to a public use, it shall become tax-exempt.

#### 5. CALCULATING ANNUAL SPECIAL TAXES

The Administrator will compute the Annual Costs and determine the Maximum Annual Special Tax for each Taxable Parcel based on the assignment of the Special Tax in **Section 4**. The Administrator will then determine the tax levy for each Taxable Parcel using the following process:

- A. Compute the Annual Costs using the definition of Annual Costs in **Section 2**.
- B. Calculate the Special Tax levy for each Developed Parcel by the following steps:
  - Step 1: Compute 100 percent of the Maximum Annual Special Tax Revenue for all Developed Parcels.
  - Step 2: Compare the Annual Costs with the Maximum Annual Special Tax revenue calculated in the previous step.
  - Step 3: If the Annual Costs are lower than the Maximum Annual Special Tax Revenue, decrease proportionately the Special Tax levy for each Developed Parcel until the revenue from the Special Tax levy equals the Annual Costs.
- C. Levy on each Taxable Parcel the amount calculated above.
- D. Prepare the Tax Collection Schedule and, unless an alternative method of collection has been selected pursuant to **Section 9**, send it to the County Auditor requesting that it be placed on the general, secured property tax roll for the Fiscal Year. The Tax Collection Schedule will not be sent later than the date required by the Auditor for such inclusion.

The Administrator will make every effort to correctly calculate the Special Tax for each Parcel. It will be the burden of the taxpayer to correct any errors in the determination of the Parcels subject to the tax and their Special Tax assignments.

## **6. RECORDS MAINTAINED FOR THE CFD**

As development and subdivision occurs in the CFD, the Administrator will maintain a file containing records of the following information for each Parcel:

- The current County Assessor's Number.
- Number of Dwelling Units assigned by the Administrator to Developed Parcels.
- The Tax Category for each Dwelling Unit assigned to a Developed Parcel.

The file containing the information listed above will be available for public inspection.

## **7. INTERPRETATION, APPLICATION AND APPEAL OF SPECIAL TAX FORMULA AND PROCEDURES**

Any taxpayer who feels that the amount of the Special Tax assigned to a Parcel is in error may file a notice with the Administrator appealing the levy of the Special Tax. The Administrator will then promptly review the appeal, and if necessary, meet with the applicant. If the Administrator verifies that the tax should be modified or changed, the Special Tax levy will be corrected and, if applicable in any case, a refund will be granted.

Interpretations may be made by Resolution of the Council for purposes of clarifying any vagueness or ambiguity as it relates to the Special Tax rate, the method of apportionment, the classification of properties, or any definition applicable to the CFD.

Without Council approval, the Administrator may make minor, non-substantive administrative and technical changes to the provisions of this Exhibit that do not materially affect the rate, method of apportionment, and manner of collection of the Special tax for purposes of the administrative efficiency or convenience or to comply with new applicable federal, state or local law.

## **8. PREPAYMENT OF THE SPECIAL TAX OBLIGATION**

The Maximum Annual Special Tax for a Taxable Parcel may not be prepaid. The Special Tax is collected to fund Authorized Services in perpetuity, or until the Council determines that the Special Tax should no longer be collected.

## **9. MANNER OF COLLECTION**

The Special Tax will be collected in the same manner and at the same time as ad valorem property taxes, provided, however, that the Administrator or its designee may directly bill the Special Tax and may collect the Special Tax at a different time, such as on a monthly or other periodic basis, or in a different manner, if necessary, to meet the City's financial obligations.
