

City of Milpitas

Annual Report of Development Fees and Expenditures for the  
Fiscal Year ended June 30, 2016

**Exhibit 1 - Traffic Impact Fee**

In order to implement the goals and objectives of the City of Milpitas' General Plan and to mitigate the impacts caused by new development in the City of Milpitas, certain public facilities must be or had to be constructed. The City Council has determined that development impact fees are needed in order to finance these public improvements and to pay for the development's fair share of the construction costs of these improvements. In establishing the development impact fee described below, the City Council finds the fee to be consistent with its General Plan and, pursuant to Government Code Section 65913.2 (Municipal Code, VIII-4-1.01). The amount of the fee as of June 30, 2016 was as follows:

<b>Area Covered</b>	<b>Type of Dwelling</b>	<b>Amount</b>
